ASSOCIATE VETERINARIAN Part-Time or Full-Time

Gage Animal Hospital, a premier, well-established small animal practice in Topeka, Kansas, is rapidly growing and seeking to add one full-time Associate Veterinarian and one part-time Associate Veterinarian to its team.

We offer a collegial, fast-paced environment in a spacious, well-equipped facility. In addition, generous benefits include 401k contributions, paid vacation and other leave, paid continuing education, uniforms, and more. Part-time Associate Veterinarian position offers extremely flexible hours (88 hours per month, but no weekly minimum hours). Live in Topeka, or make an easy, 30-minute commute from Lawrence.

Candidates with at least two years of experience, basic surgical skills, and a willingness to learn additional surgery, as well as new graduates with a desire to learn surgical skills, will be considered.

Gage Animal Hospital offers a very competitive starting salary, commensurate with experience.

Call us to schedule a visit, tour our hospital, learn about our unique practice model and our contributions to our community, as well as career opportunities.
